Incorporate Implants into your Practice with our Flex Plan.

Receive all of the above for less than \$450 per month!

Procedure	Chair Time	Total \$	\$ per Hour
Single Implant	2.5 hours	\$3,500	\$1,400
3 Unit Bridge	4.25 hours	\$2,200	\$517

By placing a single implant per month you can add over \$42,000 in new revenue dollars to your practice. Most offices have over 40-50 patients in their existing patient pool that are great candidates for dental implants.

Procedure	Number/Month	\$/Procedure	Total New \$	Annual New \$
Single Implant	1	\$3,500	\$3,500	\$42,000

Upcoming courses: September and December. Visit www.handsontaining.com for dates. (Valid until further notice. One offer per office. Valid only in Canada.)
